

REMARKS

Applicants respectfully request entry of the Amendment changing the Title.

The Claims reflect changes made by an Examiner's Amendment in the Notice of Allowance. During a telephone conference on July 17, 2008, Applicants' representative brought to the Examiner's attention that some line numbers in the Examiner's Amendment appear to be inaccurate. The attached list of Claims include the changes made by the Examiner's Amendment at the line numbers that Applicants believe are accurate.

The Examiner may have provided various reasons for allowance. Applicants will not specifically address or respond herein to the issues/points raised by the Examiner in the Examiner's provided remarks. However, this should not necessarily be viewed as constituting acquiescence by Applicants as to the correctness of some or all of the Examiner's provided remarks.

Moreover, Applicants note that the claims are directed to various combinations of features. It is respectfully submitted that the patentability of each of the allowed and allowable claims resides in every feature of the recited combination of features of the claims in addition to any features noted by the Examiner.

Applicants submit that no new claims or new matter has been added to the application. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0460.

The attorney of record invites the Examiner to contact her at (310) 553-7973 if the Examiner believes such contact would advance the prosecution of the case.
